

Save time & money with printcom approved oils

manroland oils have just got better. Choose our oils and receive a free oil check & free filters at no extra cost!

Overview

Oil LFC 1068 – Formerly approved by printcom, a trademark of manroland.

ROLAND 700 users can now benefit from the best oil price on the market, a free of charge expert laboratory oil check at 2,000 hours and free of charge filters, all at no extra cost!

Our ELKALUB oils are now formerly approved by printcom, a trademark of manroland. printcom stands for 'print competence' and guarantees: faster commissioning, higher performance and durability, technical support and a reduction in your production costs.

Are you still using conventional lubricants? Switch to printcom approved high-performance ELKALUB oils and start making some serious savings.

Oil LFC 1068 – printcom approved for ROLAND 700 users

Why make the switch?

- Increased lifetime of machinery due to optimum protection against wear
- Extended life of machine
- Increased safety of operation

Enjoy greater performance and support by using printcom approved oils.

Oil LFC 1068 – printcom approved for ROLAND 700 users

The hydraulic ELKALUB printcom approved oil from manroland provides:

- Special anti-aging additives to ensure long operating times and safety of operation
- Best protection against wear and corrosion
- Better ROI as downtime is reduced, and the oil needs to be changed less frequently
- Extended life of machine
- Reduced maintenance work

Why choose manroland as your next oil supplier?

- All our products have been tested and formerly approved by printcom
- Machine specific oil at the best market price
- Piece of mind that your oil supplier is your press manufacturer
- Maintenance work will be reduced to a minimum
- Free of charge oil check at 2,000 when switching to ELKALUB approved printcom oils
- Free of charge filters for your ROLAND 700*
